

MEAT
DISTRICT
CO.

Inspired by the paddock to the plate,
Meat District Co. aims to bring a NEW kind of dining to Sydney

Meat District Co. works in partnership with some of Australia's most sustainable producers
delivering an experience & dishes that tick all the boxes when it comes to quality & taste,
leaving you wanting more each & everytime: an ADDICTION waiting to be savoured.

We remember a time when beef came from a farm & not a factory - when '100% beef' was actually from a cow.
Meat District Co. has decided it is time to bring the farm to your doorstep.

Let the addiction begin - an addiction which is good for the soul.
